

Safe and Eco Driving

Holistic Approach to Safe Driving

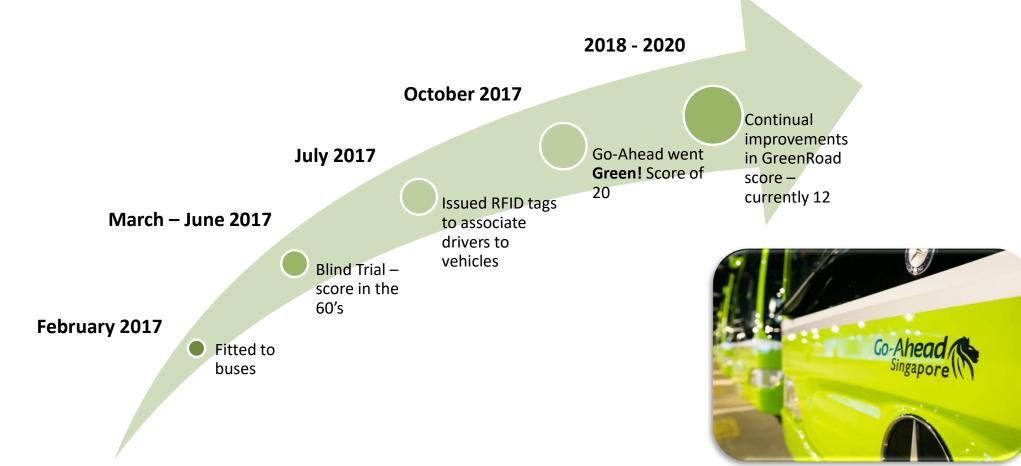

GreenRoad

Introduction to GreenRoad

Safe Journeys

78
September 2020

- Telematics to monitor driving standards performance
- Bus Captains can log in to see their own driving performance and where they had 'events'

12

BC's are scored and positioned vs the rest of the company

GreenRoad Telematics System

- Every bus is installed with GreenRoad
- ✓ Each BC is issued with an RFID tag
- ✓ Each BC gets a unique login to their score GreenRoad App is installed on BC Click smartphones issued to all BCs

RFID Tag

Green LED = Low Risk

Amber LED = Moderate Risk

Red LED = High Risl

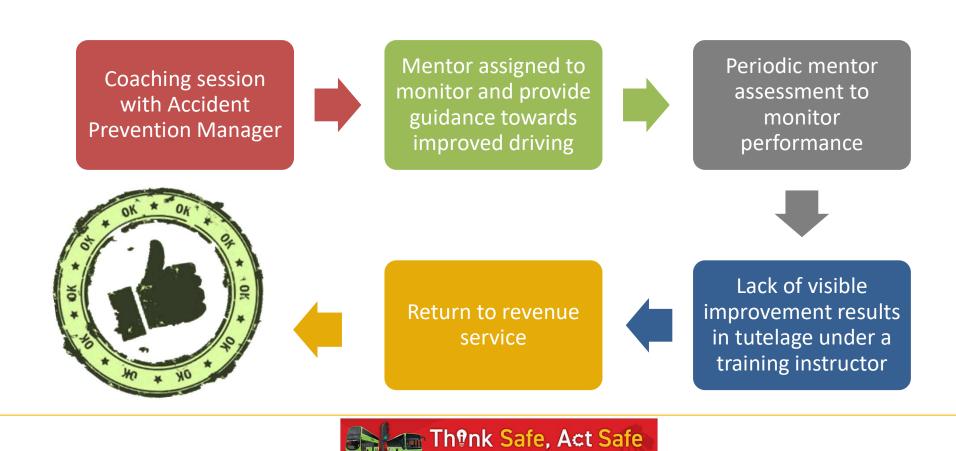

Coaching and Training Sessions

Coaching and training programme for BCs whose GreenRoad scores are in the red and amber zones

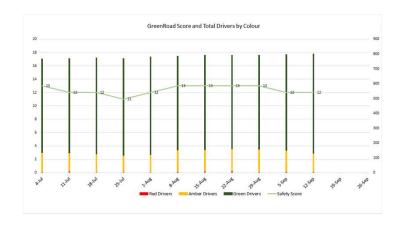

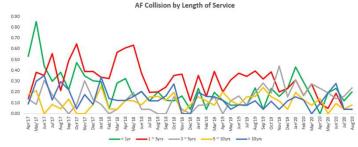

Performance Management and Risk Profiling Drivers

Performance Management

Go-Ahead Singapore

- Monthly presentation of incident data and trends by operations and driving standards colleagues to OD and MD
- Review and discussion of:
 - ✓ All collision incidents
 - ✓ Trends
 - ✓ Planned BC engagement and training activity based on data analysis
 - ✓ Insurance claim updates

Risk Profiling

- Drivers are scored based on a range of driving metrics, including GreenRoad
- Ratings range from A to E

Used to proactively target individual training interventions and prevent incidents before they happen

Ranking	3	Driver			Incidents Traffic				fic	Green	Road	Cutomer		Mentor		Length of Service				Age			Training			Total

Engagement

Safety Campaign

Quarterly Safety Campaigns

Traffic Police Talks

- Collaboration with the Traffic Police to conduct awareness talks
- Aimed to raise commuter awareness on road safety and safety onboard buses
- Roadshows held at our interchanges

Rewarding exceptional driving

Recognition & Incentives

GAS Driver of the Year

- Sponsored by GreenRoad
- Recognises outstanding BCs for driving standards
- Top 40 BCs presented with cash awards
